**DETAILED ACTION**

Claims 1-37 and 41-48 are currently presented and have been examined.

***Allowable Subject Matter***

Claims 1-37 and 41-48 are allowed in view of the Applicant's arguments and the cited prior art. Claims 1-37 and 41-48 recite a content caching system which maps a directory structure identifier with a uniform resource locator based on receiving content elements and their respective directory structure identifiers from a content server and requests content from a content server using a uniform resource locator, the request being based on a received update notification containing an identifier in the directory structure format which, in addition to the rest of the claim limitations, are distinguished from the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Conclusion***

Any inquiry concerning this communication or earlier communications from the examiner should be directed to George C.
